- **SERVERS PLEASE NOTE:** We are heading into the holiest of church seasons, Easter. It is very important that all servers serve the masses they are assigned, and if you can not, **please, please** get a substitute. IF you have to change the mass that you are assigned to, please remember that it is your responsibility to find a substitute. Also, if possible, please try and switch with a server in your grade level. This way, we can be sure we have various levels of experience.
- **PALM SUNDAY, HOLY THURSDAY, GOOD FRIDAY, EASTER VIGIL, EASTER SUNDAY** servers – please come to the church 30 minutes early. This is very important, one – to be sure everyone is accounted for, and two – to go over some of the duties that will be unique to that day.
- **Experienced Servers** – Please be supportive & directive to the younger servers.
- Please remember to sign-in before mass—substitutes please do the same!

Thank you all for your wonderful commitment and service to St. Joseph's Parish. We are so lucky to have the wonderful young people that we do in our parish!

Have a blessed Easter season,

Marie McDowell
