

***Holy Families Seeking Refuge:
A Catholic Frame of Reference on Immigration***
Saturday, October 28th, 9:00 a.m. – 11:00 a.m.
Saint Joseph Church, Fitzgerald Hall

Join members of the Joliet Diocese Office of Human Dignity and our Parish Faith Formation Board as we explore this challenging pastoral and social issue through the lenses of scripture, the Church's social teaching, the specific challenges faced by the immigrant community, and the resources available to them. How are we called as Catholic Christians to respond to these holy families who experience in our time the same perils experienced by the Holy Family?
